CHAIRMAN'S MESSAGE ”

Ever since its inception, Techno India has been motivating students across the nation thereby justifying

its worldwide repute. 30 years of academic experience coupled with an eminent faculty base, world class infrastructure and exceptional research facilities have triumphed in setting Techno India apart from the rest of the educational institutes. Our undergraduate, postgraduate and doctoral candidates have shown remarkable performance in their respective fields on account of the high quality education imparted by our distinguished professors. In the scientific era that we presently reside in, tuning our future flag bearers to cater to the current technological advancements of the century has to be paid utmost importance. Students at our institute have been meticulously groomed to perform exceptionally well in the global market

We are immensely proud of our illustrious alumni who have been placed in top-notch organizations over the past few decades which shed light on the magnificence of Techno India. Promoting healthy collaborations between industry and academia has been one of the main objectives of our institute. Every year, top-tier companies recruit innumerable deserving candidates from our organization which is a testament to the friendly ambience rendered at our institution and definitely, the strong technical knowledge of the students.

I whole-heartedly welcome the recruiting companies to judge the capabilities of our students and help them embark on their journey to success and prosperity.

Best Wishes

PROF. (DR.) GAUTAM ROYCHOWDHURY

VICE-CHAIRMAN'S MESSAGE ”

I am always proud of my association with the young and evergreen minds of my students of Techno India. This group has already established its name in the mind of this country. It has become global with the establishment of Techno Global University in USA.

A country is known by performance, culture and conduct of his/her Countryman. An institute is also known by an index of acceptance by its student by the society. Techno India has become an icon in this country by the best performance of its students. This is achieved by tired less and collective afford of founders, teachers, staffs and students of this group and its institutes. Students of Techno India have excelled in all spheres of activities. They have excelled in academics. They have also excelled in co-curricular and extracurricular activities. I feel proud for the students, faculties and staffs of the Techno India. In the year 20 saw the birth of a luminous star of learning in the educational horizon

The star latter blazed trail across the Indian sky, guiding thousands of students to scale the heights of success in their carriers, professions and enterprises. Today, the beacon stands tall on massive pillars, having stamped indeible imprints on the glorious academics tradition of India. This is the story of Techno India Group for Education, the brain child of the great visionary, Professor (Dr.) Gautam Roy Chowdhury, Someone who redefined educational standards by providing it as gateway to the immersing market driven global economy.

Best Wishes

PROF. MOHIT CHATTOPADHYAY

ABOUT TECHNO INDIA GROUP

Established in the year 1985, Techno India Group (TIG) aims to serve the exclusive purpose of delivering quality education in science and engineering in the state of West Bengal, India. Techno India presently stands as one of the most recognized leaders among private education groups in India by virtue of its academic excellence and vast multitude of course offerings. Techno India Group is one of the largest and most acclaimed knowledge management groups in Asia. A collaborator with world's leading IT giant Hewlett Packard (HP), Techno India Group encompasses 100 knowledge campuses with 4 university campuses, 22 Engineering colleges, 12 Business schools, 18 Public schools, 2 upcoming medical colleges and 4 health care units

Techno India Group has strengthened its original emphasis on science and engineering and expanded to management, medicine and other key areas like Information and Communication Technology, Nanotechnology, Genetics,

Biotechnology, Food Technology, Construction Technology, Architecture, Biomedical Technology, Paramedical Sciences, Management Sciences, Sports Technology and Media Science. In an effort to build a solid foundation for the state education system, Techno India has also endeavored to enter into the arena of primary and secondary education by establishing numerous model schools.

Techno India Group has been successful in creating a positive learning experience by investing in remarkable infrastructural facilities, state of the art technologies in its engineering, science and computer labs, highly endowed library facilities and campus wide Wi-Fi enabled communication links. Our successes speak volume about our dedication to quality education. Despite its phenomenal growth, Techno India still remains a dedicated family of 2500 professionals including doctors, engineers, scientists, chartered accountants, lawyers and management professionals dedicated to the same cause that inspired us in our inception.

FROM BOG CHAIRMAN'S DESK

Education presents the truth of life in a beautiful way for the well-being of human race. The truth of life is imparted to students as the essence of knowledge. Youths are made not only professionally perfect but also morally sound to follow the path of truth by which they not only overcome complicated problems but also taste the nectar of success in life.

The care taken to impart excellence in all areas of Engineering education has certainly impacted our students into being well-groomed, intelligent, sensitive and strong individuals, ready to face any competition and challenge that comes their way.

Here at Chaibasa Engineering College we care for every aspiration student may have, which can be shaped as reasonable career prospect. Be it Competitive Exams or entrepreneurships.

We leave no stone unturned in field of internship & training opportunities. By the virtue of Central Placement Cell of Techno India Group, Students enjoy sufficient placement & professional internship opportunities, which helps them to set their first step in the ever challenging Professional World.

Best Wishes

PROF. (DR.) SUDIPTA CHAKRABORTY ■

WORDS FROM PRINCIPAL-IN-CHARGE

With a vision to train and transform young professionals into responsible citizens engaging themselves for the betterment of the society, Chaibasa Engineering College has come a long way. The Institute aims to produce skilled and trained industry-ready professionals through imparting quality technical education and acts as the centre of excellence for engineering and scientific research.

Tremendous hard work, confidence and faith of all the stakeholders and well-wishers of the Institute encourage us to strive towards the zenith of academic excellence.

Being an integral part of the dynamic research community, Chaibasa Engineering College focuses on designing engineering programs that instill leadership and teamwork, and carries a global appeal. The undergraduate programs are regularly revised to comply with global technical developments and market demands.

'The research conducive green campus encourages the young minds to develop attributes and knowledge beyond the constraints of traditional classroom teaching and learning. The course curriculum of engineering education in the institute incubates global trends and helps to meet future demands, ensuring better Institute-Industry partnership both at local and global levels. It stands as a humble spectacle where tradition meets vogue, aspiration meets inspiration and regional excellence defines global benchmarks.

Best Wishes

PROF. DEBABRATA RAHA ■

g o m e

Nestled in the scenic heart of Jharkhand, Chaibasa Engineering College was established by the Government of the state and has been operated by the Techno India Group since 2013, enhancing its reputation and operational efficacy for the last 10 years...

ESTABLISHED LEGACY AND ACADEMIC EXCELLENCE

Founded with the support of the Government of Jharkhand, Chaibasa Engineering College has upheld a tradition of academic excellence for over a decade. Affiliated with Jharkhand University of Technology (JUT) and approved by the All India Council for Technical Education (AICTE), the college ensures rigorous academic standards and regulatory compliance

DIVERSE ACADEMIC PROGRAMMES

Our institution offers a comprehensive range of undergraduate programmes, including Civil Engineering (CE), Computer Science & Engineering (CSE) accredited by the National Board of Accreditation (NBA), Electronics & Communication Engineering (ECE) accredited by NBA, Electrical Engineering (EE), Mechanical Engineering (ME), Bachelor of Computer Applications (BCA), and Bachelor of Business Administration (BBA). This diverse curriculum is meticulously designed to meet contemporary industry demands and foster holistic development among our students.

STATE-OF-THE-ART FACILITIES

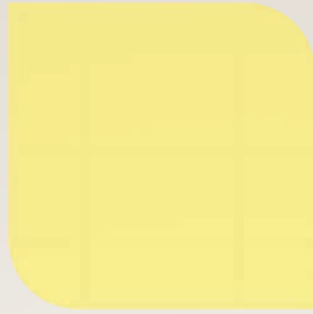

Our campus features modern laboratories, advanced workshops, and specialised research centres. Seamless Wi-Fi connectivity supports collaborative learning and access to extensive online resources.

HOLISTIC DEVELOPMENT AND FUTURE READINESS

Beyond academics, our vibrant campus life includes extracurricular activities, cultural events, and technical societies. Career counselling, soft skills training, and robust placement support prepare graduates for successful careers.

INDUSTRY ENGAGEMENT AND INNOVATION

We actively cultivate partnerships with industry leaders, facilitating experiential learning opportunities and impactful industry collaborations. This proactive engagement enhances the practical relevance of our programmes, equipping graduates with the skills, knowledge, and adaptability needed to thrive in a dynamic global economy.

OUR MISSION

- ⑩ To Impart Engineering Education with the help of Interactive teaching learning method by strengthening fundamentals of engineering.
- ⑩ To provide additional exposure in the form of assignments, training, visits, projects besides curriculum to prepare students for future professional challenges.
- ⑩ To create an academic atmosphere wherein students will be encouraged to solve real life problems of society by applying engineering knowledge &

OUR VISION

- ⑩ To be a Place where engineering education is driven by innovative teaching learning Method aiming to develop competent professional Engineering Graduates by imparting awareness on higher education & sense of responsibility towards society.

COURSES OFFERED

B.TECH IN CIVIL ENGINEERING

Empower your future with our comprehensive B.Tech in Civil Engineering program, shaping tomorrow's infrastructure leaders with cutting-edge education and practical experience.

INTAKE: 120

B.TECH IN ELECTRICAL ENGINEERING

Power your potential with our B.Tech in Electrical Engineering program, preparing tomorrow's innovators with advanced knowledge and hands-on experience

INTAKE: 60

B.TECH IN COMPUTER SCIENCE & ENGINEERING

Fuel your future with our accredited B.Tech in Computer Science and Engineering program, endorsed by NBA for comprehensive education and career readiness.

INTAKE: 120

B.TECH IN ELECTRONICS & COMMUNICATION ENGINEERING

Join the Indian electronics revolution with our world-class Electronics & Communication Engineering Program, shape a dynamic career, and contribute to the nation's technological triumph!

INTAKE: 60

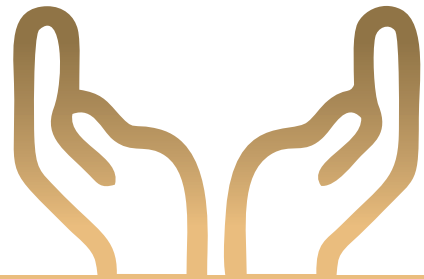

B.TECH IN MECHANICAL ENGINEERING

Forge your future with our B.Tech in Mechanical Engineering program, combining rigorous academic excellence with practical industry preparation

INTAKE: 60

OUR ASSOCIATION

AFFILIATION

Our institution is proudly affiliated with the prestigious Jharkhand University of Technology (JUT), ensuring that our academic programs meet rigorous standards and are recognized nationally.

APPROVAL

We are approved by the All India Council for Technical Education (AICTE), signifying our commitment to providing high-quality technical education that aligns with national benchmarks.

Technical Education Quality Improvement Programme

GRANT

Our Institute received prestigious Teqip phase III grant during 2018-20, which is a testament of our sheer commitment performance towards development of technical education. It also confirms that Our teaching learning process is outcome oriented.

ACCREDITATION

Our courses in Computer Science & Engineering (CSE) and Electronics & Communication Engineering (ECE) have earned accreditation from the prestigious National Board of Accreditation (NBA). This accreditation ensures that our curriculum meets industry standards and prepares students for successful careers in their respective fields.

RANKING

We are proud to be recognized by the Innovation and Incubation Cell (IIC) and Ministry of Education, achieving an impressive rating of 3.5 out of 5 in the academic year 2020-21 and maintaining a strong rating of 3 in both the academic years 2021-22 and 2022-23. We again receive 3.5 star in 2023-24, hence become 1st in Jharkhand. This consistent performance has positioned us as Jharkhand's leading college in the institutional category for the past two years

life

NAVKRITI THE TECHNICAL FEST

Navkriti, our flagship tech fest, is not just an event; it's a vibrant celebration of cutting-edge technology and ideas. Engage in exhilarating hackathons, adrenaline-pumping robotics competitions, and enlightening tech talks led by industry experts. Navkriti serves as the breeding ground for innovation, where brilliant minds come together to collaborate and tackle real-world challenges through groundbreaking projects.

ZEPHYR THE CULTURAL FEST

Zephyr, an unparalleled celebration of cultures, arts, and talents, transcends boundaries to create a mosaic of diverse performances, art exhibitions, and interactive workshops. Experience the kaleidoscope of cultural expressions as you immerse yourself in the captivating rhythm of music and dance. Zephyr serves as more than just a platform for self-expression.

SPORTS

At Chaibasa Engineering College, we pride ourselves on providing outstanding sports facilities to enrich the college experience of our students. Our state-of-the-art sports facilities offer a diverse range of activities, ensuring that everyone can find a sport they love. Our campus offers a conducive environment for physical fitness and athletic pursuits. Whether you're a sports enthusiast or looking to stay active, our sports facilities are designed to inspire and support your passion for sports.

TRAINING OPPORTUNITIES

HANDS-ON TRAINING WITH ULTRA MAX

We are proud to be associated with Ultra Max, offering hands-on training on cutting-edge technologies such as Electric Vehicles (EV), Drones, Advance Survey Engineering (ASE), Artificial Intelligence (AI), Machine Learning (ML), and Internet of Things (IoT).

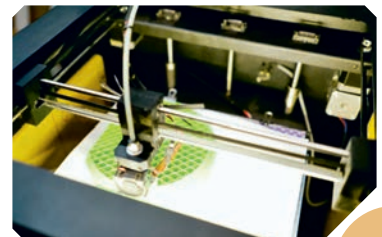

TCS SUPPORTED PROGRAM

In collaboration with TCS, we conduct training sessions under the YEP (Youth Employability Program) initiative. This program aims to empower financially backward students by providing them with valuable skills and training opportunities. Our students also undergo training provided by TCS-GWP (Grow with Purpose Program).

PARTNERSHIP WITH TATA STRIVE

Chaibasa Engineering College has partnered with Tata Strive to offer courses through the Coursera portal. These courses are designed to enhance the skill set and employability of our students, preparing them for success in the competitive job market.

ABOUT PLACEMENT

Our placement program is designed to seamlessly transition students from academia to successful careers. We collaborate with top-tier companies to provide a wide range of job opportunities. Personalized career support, including resume building, interview preparation, and skill enhancement workshops, ensures our students are well-equipped for the competitive job market. Exclusive networking events and industry interactions offer valuable insights and connections. Our commitment to professional growth and development helps students achieve their career aspirations and excel in their chosen fields. Join our placement program and take the first step towards a rewarding and successful future in your career.

Our Placement Cell is a dynamic and collaborative team dedicated to facilitating successful career outcomes for students. It is led by the Professor-in-Charge, who provides strategic oversight, guidance and industry connections. Supporting them are the Coordinator and the Departmental Faculty In-Charges, each bringing specialized knowledge to enhance placement opportunities. The team is further strengthened by the Student Placement Coordinator, who bridge the gap between students and the placement process, ensuring effective communication and support. Together, this diverse group works seamlessly to prepare students for their professional journeys and connect them with potential employers.

Invitation for HR

Dear Sir/Madam,

We cordially invite esteemed HR representatives from your organization to explore our dynamic pool of talent at Chaibasa Engineering College (A college under Techno India Group) . With a legacy of quality education and outstanding accreditation, we take pride in nurturing future-ready engineers. Your presence in our upcoming recruitment drives will provide an excellent opportunity to connect with promising candidates. We look forward to welcoming your team to our campus.

Regards,
Training & Placement Cell,
Chaibasa Engineering College
